MISSION

Our mission is to motivate and mobilize the church and the community to care for the orphans and vulnerable children of the world.

Dear Friends,

Thank you for serving with us in 2017. Your partnership is invaluable as we reach out to the orphans and vulnerable children of the world who are losing hope that anyone cares for them.

This annual report provides a glimpse into what your partnership has meant to us, and to the children we serve together around the world.

Warmly,

Lawrence E. Bergeron

2017 was a record year with a production of 309 tons of high protein food - all packed by hand.

Conducted 21 Public Sessions, 39 Special Sessions, and 4 Mobile Sessions which produced over 19,051 Hope Boxes™ containing 4.1M high protein meals, 1.8M gallons of clean drinking water, and over 48K copies of Challenge™.

Nearly 13K guests attended these events, with many sold out at 400+ registrants.

Sponsored the Sack Hunger event at Sam’s Club in which the community donated over 8 tons of rice for the impoverished children of Cincinnati.

Donated 10 tons of high protein food to the Cincinnati Freestore Foodbank as well to those in KY and TN who needed our help.

Over 10,000 orphans and vulnerable children a day—every day of the year—are receiving Hands Against Hunger™ food, clean drinking water supplies, and life giving hope.

Most Hope Boxes™ include supplies to change 100 gallons of dirty water into safe drinking water.

The sale of each case (24 bottles) of Clean Water for Orphans™ funds the supplies needed to produce 100 gallons of clean drinking water.

This program has produced over 5 million gallons of clean drinking water in partnership with the P&G Children’s Safe Drinking Program.

Over 1,000 volunteers helped produce 60 tons of high protein food plus provided clean drinking water supplies, new blankets, and other disaster relief items requested by our partner agencies in Texas, Florida, Dominica Island, Cuba, and Puerto Rico.

At least 90% of all donations (on average) are used for program expenses for orphans and vulnerable children – a rare level of performance in the non-profit community.

2017 was the 2nd year for the Hope Prison Ministry at an Ohio state prison. Eight prison events were attended by 225 inmates who produced 3 tons of Hands Against Hunger™ high protein food for indigent children.

Donors to ACHI provided a used Ford Expedition, a new 10’ cargo trailer, and supplies needed so this event can be held semi-monthly.

Inmates earn the right to attend these special packing events where the Good News is presented along with videos and information about orphans and vulnerable children who suffer greatly for lack of food and water.

Some of these men are incarcerated for a very long time, yet these opportunities give them the restoring hope of giving back.
